When Jesus Sanca and his daughter the first Mexican town through which the American troops ssed on the way to the front, was left without human habitants. A few lonely gs were howling at the doors of the suddled little dirty group of Mexican nouses which made up the town.

Sanca, 82 years of age, crossed into the United States in a prairie schooner, such as used by the "forty-niners." Loaded in it were his household goods while from the rear swung a water bucket, under which trotted a stubby ailed dog. The horses were hitched to the wagons by means of harness fashioned from canvass cartridge belts discarded by Villistas in their flight from Columbus. Sauca said that one by on the residents had left the town.
